I just spoke to Steph again and told her very directly she is not to speak to, respond to, or contact anyone
She agreed

Thank you! Thank you!
The damage is done. We are now trying to mitigate it.
But fuck tera.

Steph called just now saying Josh Greenstein texted her and she is calling him to clear her name
I told her to not call him or make any moves

With so much swirling
Feels like it would be good to do a top line meeting / call just to communicate to our team
I know there is early morning press
Let me know if you think this makes sense and have any time for :15/30 call with topline team
Love you!

Hi tera. Thank you for this thought. Yes indeed. Let's do that. Let's connect in the am. It's a crazy day but we should connect.
